ECHO OF TIME

Archdeacon

I'd
 like to
 be the
 sort of
 friend
 that you
 have been
 to me; I'd
 like to be
 the help that
 you've been always glad
 to be; I'd like to mean as much
 to you each minute of the day as you
 have meant, old friend of mine, to me
 along the way. I'd like to do the big things
 and the splendid things for you, to brush
 the gray from out your skies and leave
 them only blue; I'd like to say the
 kindly things that I so
 oft have heard, And
 feel that I could
 rouse your soul
 the way that mine
 you've stirred. I'd
 like to give you
 back the joy that you
 have given me, Yet that
 were wishing you a need I
 hope will never be; I'd like to
 make you feel as rich as I, who travel on
 Undaunted in the darkest hours with you to
 learn upon. I'm wishing as the days go on that I
 could but repay a portion of the gladness that
 you've strewn along my way; And could I have
 one wish this year, this only would it
 be: I'd like to be the sort of
 friend that you have
 been to me.

Eighty Seven

Remember Mrs. Shilling in Kindergarten, Mrs. Hanneman and Sr. Rosalie in First Grade . . . guiding us, nurturing and caring . . . Those big parts in the Christmas programs, fifth and sixth grade band, Safety Patrol? — all welding us to closer relationship between our families, teachers and classmates. The pieces come together in basketball practice, Mrs. Ahten with a paint brush, the proms. Chocolate pies we baked in Home Economics class.

"Big Green Beat" reminded us how essential it was to work with Miss Doll and staff to complete productions. The years brought together as the photographer snapped the last picture at graduation . . . our fondest farewells . . . Our puzzle at OHS is completed . . . our life puzzle has only just begun. We move into this new, more complex puzzle, remembering our past failures and numerous successes.

It is with great anticipation and fond memories that we interlock experiences and friendships encountered at OHS with the pieces of our future . . .

FIELD DAY

The sun was shining, the events planned and a feeling of competitiveness filled the air. The Student Council had worked hard to prepare an enjoyable day.

Everywhere one looked on May 15th you were sure to see Hawaiian clothing, smiles, sunglasses and memories being made.

A bike race, volleyball game, bed race, egg toss, kickball game, wheel barrel race, softball game and weight lifting competition were responsible for uniting students with their fellow classmates and their teachers.

A final look at the score board showed the seniors as the overall winners. Mr. Knott, Student Council Advisor, then presented a plaque to the seniors and congratulated them for being the only class to win the competition two years in a row.

STAIRWAY TO HEAVEN

Baby blue, royal blue and silver decorations helped transform the Parish Hall into a **Stairway to Heaven** on May 8. Mr. Knott and the junior class spent many hours preparing for this night in the hope that it would long be remembered.

Stars dangled from the ceiling, crepe paper covered the walls, the air was filled with a sense of excitement. The juniors enjoyed their first prom, while the seniors sorrowfully said goodbye to their high school days.

The Junior-Senior Prom of 1987 will long be remembered. A special thank you to Mr. Knott and the junior class for making our journey on the **Stairway to Heaven** a very memorable one.

KNIPPEN NAMED PCL PLAYER OF THE YEAR

Schimmoeller No-Hits Muskies In Season Finale

PCL Coaches named Todd Knippen "player of the year", while Dale Schimmoeller joined him on the first team. Named on the second team was Chris Schnipke. Leading the coaches was Ottoville's Coach Bruns.

Honorable Mention were: Mike Schlagbaum, Brian Miller, and Keith Schimmoeller.

After losing to Elida and Fort Jennings in the season openers, Ottoville went on to post 12 wins in a row. In ending tournament play with an Elida Sectional loss to Kalida 2-6, the Big Green ended the year with one of those rare events — Keith Schimmoeller pitching a no-hitter against Fort Jennings, winning 1-0 in seven innings. Ottoville's only tally came as a result of singles by Schlagbaum, Schnipke, and Knippen in the home half of the seventh inning.

COACHES: Robert Bruns, Jeff Schimmoeller; **STATS:** Julie Brickner, Maria Schnipke; **PLAYERS: BOTTOM ROW:** Dale Schimmoeller, Terry Burgei, Greg Kortokrax, Mike Schlagbaum.

REVITALIZED TRACK PROGRAM GAINED INCREASED INTEREST

Although the track teams were short on numbers, interest by both boys and girls teams materialized in late Spring, and both teams were fielded by the time good weather arrived. Fierce competition, marked by both significant wins and losses and a few new records, set the tone for gaining needed experience and confidence.

The Boys team was made up of all underclassmen, including six freshmen, while sophomores made up the bulk of the Girls team. Diana Wenzlick and Toshiko Ishihara (Japanese Exchange Student) were the only seniors. Lacking an adequate home running facility, the Big Green® thinclads traveled to other schools for all meets, including many much larger schools.

Eighty Seven

... sharing their experiences, knowledge, and educational skills with us ... our faculty has had a strong influence on our lives, our preparation for our future ... by using the leadership of our teachers, we, in pursuit of our goals, have attempted to build the best foundation we can so we will be able to compete in the adult world ... our interlocking friendship and partnership in education makes for completion of a well-rounded program of experiences ...

Without help from the many service personnel, our lives would not have been as comfortable as they have been. Interest by the Service Personnel in our welfare, our needs, our wants ... welded our relationships with everyone. Mrs. Warnecke, Mrs. Niemeyer and the other volunteers ... You were super-helpers.

How would we have gotten to school — on time — without expert bus drivers? SOUND OFTEN HEARD: "I need a blue slip for my absence yesterday." Memories linger ... copies made at the school office for our reports. Relationships with those memories will never end — the pieces come together.

Taking advantage of the latest in computer technology and word processors, installation of new roofs on a large part of the school plant, new elementary restrooms, major overhauling of the heating system . . . adoption and purchase of new textbooks, including formulation of new courses of study, new bus purchases . . . such have been the recent tasks occupying the time and energies of Board members, administrators, and teachers during the school year.

Ottoville teachers and members of the Board have always been receptive to new ideas, pursuing innovation when possible.

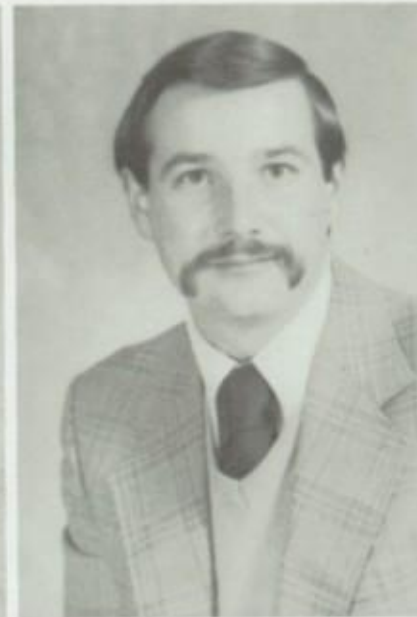

While taking advantage of the many services offered by the County Office of Education, Ottoville School has always tried to use as many resources as are available to seek the best educational programs possible.

They Help Us Realize Our Dreams

I find a lot of differences between American and Japanese high schools. One of the big differences is most high schools have school uniforms in Japan. But I like it. I don't have to think every morning what should I wear today. Another difference is we have school till noon on Saturday. I hope there will be no school on Saturday in Japan someday!

Keeping classrooms warm and clean, helping teachers in the reading programs, and aiding teachers with supervision of pupils during the noon periods and recess are no small tasks. GRADUATION '87

The day they had been dreaming of for so many years was finally here . . . Graduation. May 22 was filled with exams, goodbyes and nervousness.

As the seniors gathered, the air was filled with conversation. Topics varied from the extreme heat to the parties that evening. At last the moment arrived. The seniors marched into church. A reminiscent homily by Deacon Flores brought many smiles as the big moment drew nearer.

Time following Mass was filled with the straightening of caps, adjusting of gowns, and last glances in the mirror.

Cameras clicked, parents blinked back tears and graduates smiled as the traditional "Pomp and Circumstances" played on.

Dale Schimmoeller, Dave Maag, Janet Bruns, Stacey Miller gave speeches. Dale Schimmoeller was presented the Chad L. Staib Award.

The time was now here . . . the names were called . . . the diplomas were handed out . . . the recession-
al concluded . . . the congratulations given . . . the
last piece of the puzzle put in place . . . the puzzle is
completed . . .
